

Kunsthalle Wien Club Registration form

EN

Kunsthalle Wien Club is the supporters' circle for Kunsthalle Wien. It addresses individuals and companies that want to play an active role in the coming years of the institution.

The scheme aims to support the future development of Kunsthalle Wien through an annual contribution while offering a unique programme of events that is being developed along three axes:

- Kunsthalle Wien's exhibitions and educational programmes: special events with exhibiting artists, guided tours etc.
- Vienna and its artistic communities: a curated programme for those interested to discover the city's community of artists, galleries and off spaces
- A platform of like-minded people closely connected to Kunsthalle Wien and its community.

Join with a tax-deductible* funding contribution starting at € 300 per year. All proceeds directly support Kunsthalle Wien's artistic programmes.

Please find detailed information on the Kunsthalle Wien Club as well as registration forms at the reception desk or online:
